LOCAL WORKFORCE INVESTMENT AREA ADVISORY COMMITTEE CONFERENCE CALL MINUTES

Friday, September 14, 2001

Welcome/Agenda Building/Hot Topics—Bill Burke, Workforce Investment Division (WID)

No additional items were discussed.

Workforce Investment Act Funding Rescission—Bill Burke, WID

By October 1, 2001, the State will learn the total amount of the Department of Labor (DOL) rescission for California. The State will then be able to calculate the amount of each local area's reduction. The State has no option other than reducing each local area's formula displaced worker funds. There are discussions on making the local areas whole by back-filling the reduction in displaced worker funds from Workforce Investment Act discretionary funds.

A member of the Advisory Committee recommended that local areas should have to formally request this additional funding as some local areas may not need it.

Note: On September 28, 2001, DOL indicated that the rescission would be deferred indefinitely.

Planning the Quarterly Agenda for October 5, 2001—Bill Burke, WID

The following items were suggested for the agenda items:

- State Board Items
 - Community and Faith-Based Initiative
 - Performance Negotiations
 - America's Service Locator, 1-800 Helpline
 - Locally Selected Topics
1. How will performance of the discretionary projects affect the overall performance of the state? Local areas would like to see performance data on these projects at the Quarterly. If possible, they would like data on the non-local workforce investment board projects displayed separately.

2. Los Angeles City has developed regional branding of their One-stops. How will the national and state branding efforts complement the local /regional branding?
